R74moji Suggestions/Requests etc, etc.

Submissions moved to form: https://link.r74n.com/moji-feedback

Make sure the emoji you're suggesting doesn't already exist in R74moji: https://R74n.com/moji/

Planned: (Crossed out doesn't mean you can't suggest)
Holding signs (=, 🚫)
Holding flags (colors, some countries, pride, semaphore)
~~Headwear~~✅
~~Occupations~~✅
Sports, sports hand gestures, eye black, holding up referee cards [suggest here]
Music, instruments
More cultural clothing [ideas]
Customization similar to Bitmoji, with different hairstyles and stuff

Don't suggest symbols yet, it is only faces and sometimes random circular foods. Animals are fine but they may not be done for a while because they're harder.

List of standard colors: Red, Orange, Yellow, Green, Lime, Blue, Cyan, Purple, Brown, Gray, White, Black, Pink

Add your suggestion or request to the list below. :)
You can include your name/username if you'd like.

Feel free to **Draw** roughly what it should look like, or add a reference image.
